Changes and Repairs toward my ST170. I like to keep track of any changes or repairs toward my car

and thought I'd share this with you all. Kinda like you would see on a software with an "changelog" file, showing all of the changes being done.

Ford Focus ST170 > Repairs and Changes I've done so far

Right, make sure you check the distributor shaft for movement as that will change the point gap as the engine runs, so if you do have some movement you may have to open them up a little more or replace the distributor.

what is the point gap for a 1962 comet 6 cylinder - CarGurus

The car's timing refers to the ignition and the process by which the spark plugs fire, creating a spark in the car's combustion chamber. Your timing must be at the correct setting for your car to perform at top level, affecting the speed and efficiency at which the engine fires.

How to Adjust Timing: 12 Steps (with Pictures) - wikiHow

The Ford Performance X303 Performance Camshaft may not be the best cam for your setup, however we would need more information, such as the cylinder head part number to determine intake and exhaust runner volume, combustion chamber size, etc.
